## AFTER THE

### I

Hello cowgirl in the sand  
is this place at your command?  
Can I stay here for a while?  
Can I see your sweet, sweet smile?  
Old enough now to change your name  
when so many love you is it the same?  
It's the woman in you that  
makes you want to play this game

### II

I've been looking for a woman to save  
Not to beg or borrow.  
A woman with the feeling of losing once  
who knows how it could be tomorrow?

She's a victim of her senses. Do you know?  
Can you see her in the distance as she  
tumbles by?

Veteran of a race that should be over  
Can you hear her sigh?

# GOLD RUSH

## III

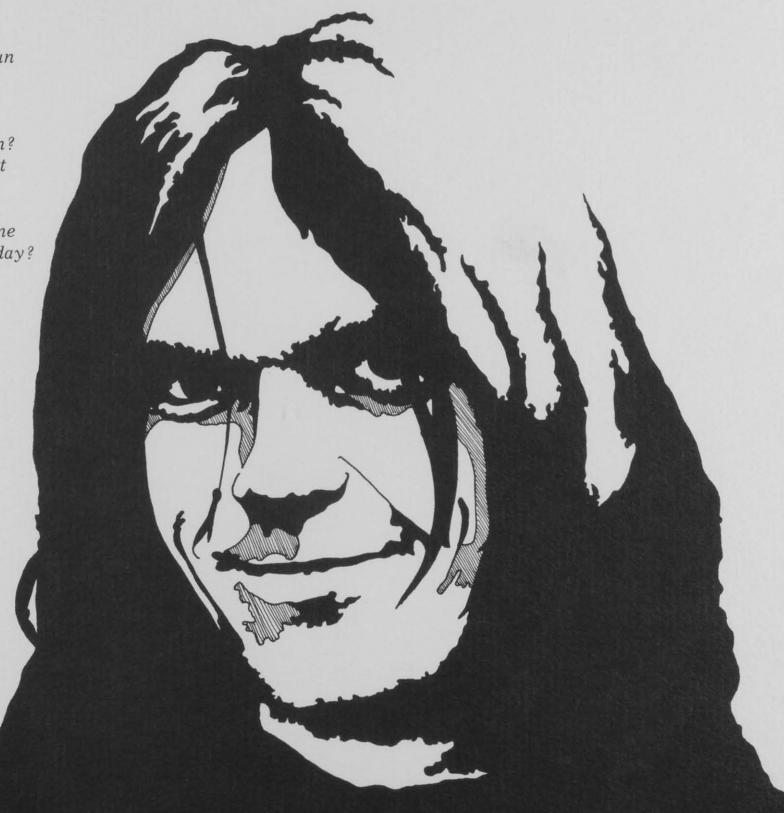

*I dreamed I saw the silver spaceships flying  
in the yellow haze of the sun  
there were children crying  
and colors flying  
all around the chosen ones  
all in a dream all in a dream  
the loading had begun  
they were flying Mother Nature's  
silver seed to a new home in the sun*

ny life  
e or twice  
ow her?

## IV

*Now that you've found yourself  
losing your mind are you here again?  
Finding that what you once thought  
was real is gone, and changing?*

*Now that you made yourself love me  
do you think I can change it in a day?  
How can I place you above me?  
Am I lying to you when I say  
that I believe in you*

# HUMANITIES

*the dream is over  
what can i say?  
The dream is over  
Yesterday  
I was the dreamweaver  
but now I'm reborn*

*I was the walrus  
but now I'm John  
And so dear friends  
You just have to carry on  
The dream is over.*
